Brief Description

Bikri is a comprehensive Point-of-Sale and inventory management software with integrated e-commerce capabilities, designed to streamline business operations across sales, stock, and customer management.

- Connects sales, stock & customer data in one platform
- Automates billing and reduces manual errors
- Real-time reports for smarter business decisions

PRODUCT OVERVIEW

```
graph TD; A[All-in-One POS & Inventory System] -.- B[E-commerce Integration]; C[Comprehensive Sales Automation] -.- D[Inventory Management]; E[Customer Management]
```

The diagram illustrates the product overview with five interconnected components. At the top, the title 'PRODUCT OVERVIEW' is centered. Below it, five rounded rectangular boxes are arranged in a hierarchical structure. The first row contains 'All-in-One POS & Inventory System' and 'E-commerce Integration', connected by a dashed line. The second row contains 'Comprehensive Sales Automation' and 'Inventory Management', also connected by a dashed line. The third row features 'Customer Management' centered below the others. The boxes have a white background, a black border, and an orange shadow at the bottom. The background is a light yellow gradient with decorative orange and yellow shapes in the corners.

PRODUCT OVERVIEW

```
graph TD; A[Adaptable to Retail & Wholesale] -.- B[Multiple Editions Available]; C[User-Friendly Interface] -.- D[Real-time reports & analytics dashboard]; E[Multi-store & multi-user support];
```

The diagram illustrates the product overview with five key features. The features are arranged in three rows: the first row has 'Adaptable to Retail & Wholesale' and 'Multiple Editions Available' connected by a dashed line; the second row has 'User-Friendly Interface' and 'Real-time reports & analytics dashboard' connected by a dashed line; and the third row has 'Multi-store & multi-user support' centered below the others. Each feature is enclosed in a rounded rectangle with a black border and an orange shadow. The background is a light yellow gradient with decorative orange shapes in the corners and bottom right.

**Adaptable to Retail
& Wholesale**

**Multiple Editions
Available**

**User-Friendly
Interface**

**Real-time reports &
analytics dashboard**

**Multi-store &
multi-user support**
